- **SAVE Micro Finance Private Limited**

Till Today “SAVE” NGO is implementing educational and welfare work for the staff and customers of above three companies.

OUR HISTORY

In the year 2008, three friends meet and discussed in detail for social development in the society. It is observed that lac of knowledge and illiteracy, people are ignorant of their welfare and facing great problem. Together three friend decided to form an NGO, give up their profession and business comfortable life engage their life for society, knowlege about the benefits of financial literacy and other government program for uplift of downtrodden/BPL/Woman Empowerment.

OUR PHILOSOPHY

“SAVE” society is for the service of downtrodden and trying to remove financial illiteracy, exploitation, poverty and inequality and it would do constructive activity for social economic & cultural development in general under respective philosophy of Indian constitutional justice liberty and equality for the National development.

To assists and support to main theme of government agencies, financial institution foundation as well as banking institution in outreach is places of surrounding area of development and implementation of their plans, projects and products in the field of general boundary disbursal of small value credit, recovery, finances of their interest, collection of small and valuable deposits, micro insurance, mutual funds, pension yojana and social security government plans subject to approval of concerning authority or authorities.

To promote self-reliance and self-determination among people through awareness of banking or financial literacy thorough out nationwide.

The Society will work for the upliftment rural, urban as well as downtrodden people of all communities without caste, religion and sex in the field of education and social economic ,cultural development.
